

Influence - Sell your point of view

[work hard]

1. I believe I can do but more than that review and do.
2. I believe my work can benefit many people
3. I believe I can control my emotions
4. I believe creativity makes a difference
5. I believe I should reinstate not agitate [work together]

HIP HIP
HOORAY
for LEADERS

LEADER'S RECOGNITION BANQUET
First Christian Church

October 25, 1969 - 6:30 p.m.

PROGRAM

1. work hard
2. Keep learning
3. Be sure your people understand you.

Boy went to SS & when God ask him about what he learn he told about the good people & bad people & one day they left & the bad people started after them & came to a big part of water & the US Army was there & build a bridge & when the good people were across tore down the bridge & left the people on the other side. The bad said as you see this is the way they told the story & he said bad if I told you the way they told me you wouldn't believe it.

Students That Riot

1. Laws (Suppose to be equal but give liberal to rich)
2. Politics (Suppose to be honest)
3. Economic Prosperity [most people have better life but not all sharing]
4. Religious (are indifferent)
5. Scientist

"A time for peace but also a time for fighting"
