TRAIN SONG  
Tune: Yankee Doodle

I met an engine on a hill.  
All hot and broken hearted,  
And this is what he said to me  
As up the hill he started,

(slowly)  
I think I can, I think I can,  
At any rate I'll try,  
I think I can, I think I can,  
At any rate I'll try.

He reached the top and looking back  
To where he stood and doubted,  
He started on the downward track  
And this is what he shouted---

(quickly)  
I knew I could, I knew I could,  
I never should have doubted,  
I knew I could, I knew I could,  
I never should have doubted.

## SONG SHEET

### JOBS

Tune: Smiles

There are jobs that make us grumpy,  
There are jobs that make us gray,  
There are jobs that steal away the minutes  
While they add no pleasure to the day.  
But the job that sets our hearts to singing,  
One that grows more joyful every day,  
Is the job of building for the future  
In the work of the 4-H way.

### AMERICA THE BEAUTIFUL

O beautiful for specious skies,  
For amber waves of grain,  
For purple mountain majesties  
Above the fruited plain.  
America! America!  
God shed his grace on thee,  
And crown thy good with brotherhood  
From sea to shining sea.

O beautiful for pilgrim feet  
Whose stern impresson'd stress  
A thoroughfare for freedom beat  
Across the wilderness.  
America! America!  
God mend thine ev'ry flaw,  
Confirm thy soul in self-control,  
Thy liberty in law.
