K-STATE
Research and Extension

One year ago, this letter to you was about how we were experiencing a great deal of change due to the pandemic and COVID restrictions. The only thing that hasn't changed, is that we're still experiencing alot of change.

We are seeing some "loosening" of strings and we are able to do a little more than we were doing a year ago. 4-H activities are beginning to open back up,

with caution and observation of COVID-19 mitigation plans. We have received approval for clubs to begin meeting in person again.

Camp is being planned for June and the District Horse Show is scheduled. Right now, we're moving forward with plans for the fair, but we don't know exactly what that looks like.

Cowley County 4-H is a part of a larger organization-

Kansas 4-H and K-State Research and Extension.

Because of this, we must observe some protocols that don't match our local precautions. We appreciate our volunteers and members' cooperation as we continue to navigate change.

Attention 4-H members - want to learn ways to sell your 4-H projects?

All households have 4-H projects stashed somewhere. Why not sell some of your creations as an entrepreneur?

This summer, several 4-H youth will staff a collaborative booth at local farmers markets. Youth will be selling items they've grown or produced.

Interested? To get in on the action, youth will need to participate in entrepreneurship workshops. These sessions will be available either in person or virtually. Topics will include product development, marketing, and customer service.

In person sessions will be Tuesday, April 13 and Wednesday, April 14 (time TBD by participants - either 4-5 p.m. OR 6:30-7:30 p.m.) A second round of workshops are tentatively scheduled for Thursday April 29 and Friday, April 30 (time TBD).

4-H youth who have completed the entrepreneur workshop topics are invited to participate in a practice market event on Saturday, April 24 at the Winfield Fairgrounds between 11 a.m. - 1 p.m. (This is the same day as the spring livestock shows). Look for a tent by the food stand and come shop!

For more information, contact Becky at 620-221-5450.
