We are 60 days into the new 4-H year. What goals do you have for your 4-H projects and overall experience? Check out this great goal planning [worksheet](#) that helps members identify an action, result, and timetable.

Here are my goals for this 4-H year:

Action	Result	Timetable	Who will help me
I want to encourage	all clubs to send representatives to 4-H Council	by March 2022	club leaders and members
I want to keep	4-H families informed of local and state opportunities	each month	Sarah, Cindy, club leaders, Facebook and email
I want to recruit	a new 4-H Agent, project leaders, and fair superintendents	by April 2022	club leaders, parents, and members

You can see that YOU and your family are needed. If you are new to 4-H, reach out to your club leader, another 4-H family, and/or our office so you can learn more about opportunities and we can help you be successful.

The Cowley County Extension Council Executive Board has made the decision to open the 4-H Agent position. The board will review the position description at their December meeting, and the job will be posted in January. The Agriculture and Natural Resources agent position will remain vacant at this time. Encourage friends and family members to check out the benefits (and the future job post) at <https://www.ksre.k-state.edu/jobs/>.

Thank you for your support and participation in Cowley County 4-H. Consider who you can invite to join. We have a great program and want to share fun experiences within our community.

-Becky

Extension Office Closed

The Cowley County Extension Office will be closed Thursday, December 23, 2021 through Friday, December 31, 2021. We will re-open Monday, January 3, 2022.

In this issue:

- 4-H Day
- 4-H Livestock Info
- 4-H Achievement Results
- Annual Calendar

Cowley County Extension Council

The Cowley County Extension Council Executive Board meets monthly and conducts the business of the Extension Office. The Extension Council Annual meeting will be held on Tuesday, December 7, 2021 at 6:00 p.m. The Executive Board will meet at 5:30 p.m. for its regular monthly meeting. The meetings will be held at Baden Square, 700 Gary St. Winfield, KS 67156.

Pending Enrollments

If you opted to pay by check, or scholarship, your enrollment will remain pending until payment is received.

Club Challenge

Caydence Billiter from Walnut Valley 4-H Club and 4-H Junior Leaders is challenging all clubs to participate in your local Salvation Army Bell Ringing. To volunteer in Winfield, please contact Mark Only at 620-222-5988. To volunteer in Ark City, please contact Jessica Dorman at 620-842-8816 or email Jessica at sarkbellringing@gmail.com.

Bylaws

A club's constitution and bylaws help to define and outline the administration of a club. It is imperative that new clubs determine their constitution and bylaws before becoming chartered by the National 4-H Council. The articles of the constitution and bylaws determine the official name of the club, state where and when meetings will be held, set up how business will be conducted, determine officers and even allow for planning of dissolution. Officers of existing organizations should review the club's bylaws annually. Clubs should also provide a copy of their bylaws to the Cowley County Extension Office. Officer teams that have not reviewed current bylaws are encouraged to do so under the guidance of adult leadership. A sample constitution and bylaws may be found at www.kansas4-h.org/p.aspx?tabid=498.

Membership

In order to be a regular member of Cowley County 4-H, the member must be 7 before January 1st, 2022.

WANTED: CloverBud Leader

Do you enjoy helping young kids explore 4-H? Do you have a passion for introducing 5 and 6 year olds to the fun they will have as 4-H members in a hands-on, activity based setting? YOU could be our next CloverBud Leader! We are looking for a teen or adult who is interested in working with this great group of kids. If you or someone you know is interested, please contact Becky for more information.

4-H Day with the Lady Cats

The annual KAE4-HA Lady Cat game with Kansas 4-H is scheduled for January 23rd! \$22 will get you a t-shirt, ticket to the game and a \$10 meal voucher to use at the main concession stands at the game.

Register here:

<https://conta.cc/3cbHDDI>

Registration closes December 21, 2021.

K-State will be taking on Oklahoma that Sunday.

Horse Panorama

Horse Panorama will move back to Rock Springs January 28-30, 2022. Horse Bowl, Hippology, and Speaking Contests will be held in person. Photography, logos, posters, and the model horse will be offered as hybrid classes, allowing those unable to attend an opportunity to submit materials. Registration will be released in early December, closing in early January. More information coming soon! Contact Shannon Rogge at luckiksu@ksu.edu with questions.

4-H Day - February 5, 2022

10 a.m. - El Dorado

Pre-entries due- January 14

Scheduling opens - January 18 (due by January 28)

Butler and Cowley County will co-host 4-H Day at Butler County Community College in El Dorado. This combined event will feature more options that are not available in a single county event. Any youth can participate.

Options will include:

- Favorite Foods Contest
- Judging Contests: Family and Consumer Sciences, Horticulture, Photography and Livestock Skill-a-thon
- Performance events: vocal, piano, instrumental, dance
- Presentations: readings, demonstrations, illustrated talks, impromptu speaking, public speaking, Pickle Power/Crunch Time
- Gavel Games (includes parliamentary quiz and presentation)

Not able to participate in El Dorado? Participate in the "Virtual Presentation and Interview" category. A member will have a maximum of 10 minutes for the presentation with an additional 5 minutes for questions from the judge. You can do any type of entry/presentation with documents, presentation software and/or pre-recorded or live video.

Want to help plan the event? 4-H Day committee members from Butler and Cowley County will meet via Zoom on Wednesday, December 15 at 5 p.m.

Kansas Photo Contest

Your Favorite Place in Kansas

TOPEKA -Each year Kansas students are invited to enter photographs that celebrate Kansas and be eligible for special prizes. This year's theme is **Your Favorite Place in Kansas**. First place winners in each grade from first to 12th will receive iPads; second place awards in each grade are Kindles.

Last year, first grader Lily Steadman of Derby photographed a school competition to highlight the runners on the Kansas prairies. She received first place in her category in the Happy Birthday, Kansas! Student Photo Contest and won an iPad for her work, among the 24 student award recipients. Lily's was one of 400 contest entries.

The student photographs contribute to the pictorial history of Kansas, like L. W. Halbe, an early 20th century teenage photographer from Dorrance in Russell County. Halbe's photos offer a valuable window into life in his community. These photos will be preserved by the Kansas Historical Society.

The contest deadline, for first through 12th grade students, is **5 p.m. Wednesday, December 15, 2021**. Winners will be announced as part of the state's 161st birthday commemoration at the Kansas State Capitol on Friday, January 28, 2022. Find more information and a complete list of contest rules at happybirthdayks.org.

The contest is sponsored by the Kansas legislative spouses in conjunction with the Kansas Historical Society.

Junior Producer Days

The 2022 Junior Producer Days information will be released soon. This year will be beef and sheep, both tentatively set for March.

Youth Livestock Update

Youth for the Quality Care of Animals (YQCA) is a national, multi-species youth livestock quality assurance program that focuses on food safety, animal well-being, and character development, through age-appropriate educational curriculum for youth 8-21 years of age. This program is an annual certification that grows with a young person, so the learning modules are different every year. Curriculum materials were launched in October, and youth are welcome to begin completing the training at any time.

ALL exhibitors are required to be YQCA certified in order to participate in the 2022 Kansas State Fair Grand Drive and/or

Kansas Junior Livestock Show (KJLS). This includes youth who will be showing market animals and breeding females. The YQCA certification covers a variety of species, so youth only need to complete one certification session to fulfill the requirement. Youth who are age 7 may participate in an instructor-led course and a parent or guardian will need to attend the training with them. The parent/guardian will not officially register, as this is a youth-only program. The parent/guardian will attend to serve as a guide for their child during the training, and because of the level of involvement first-year parents have in projects to help their child have a positive experience.

Youth ages 8-21 may obtain their YQCA certification using one of the following methods:

Online Course - \$12/child

Test-Out Option – only 12 & 15 year olds eligible; online only; cost varies

Families must pay for the online class through the site at the time of registration. It will require a credit card number or coupon code.

Click on this link for directions on how to obtain certification:

Southeast Area Project Records Screening- Thursday, January 21, 2022 in Eureka, KS

Adult volunteers are needed to screen Project Record Books for the Southeast Area Thursday, January 21st in Eureka. This is a great opportunity to give back (especially if your member has ever sent a Project Record Book to area or state screening) and to learn about what kids in other counties are doing with their projects. Please contact Becky by Tuesday, January 4th if you are willing to serve.
