A note from Sarah...

As of November 1, we have 160 4-H youth enrolled, 20 Cloverbuds, and 38 adult volunteers! We are excited to dive deeper in the new year! Please scan the code below to complete a 4-H Program year survey! This is 100% anonymous and greatly helps our program.

As we begin to plan for our new year, how does that look for your family? Make sure to review the 4-H newsletter carefully and see the WIDE range of opportunities 4-H has all year round! 4-H is so much more than the Cowley County Fair-take advantage of it! These programs are designed to help youth find their SPARK and THRIVE!

This fall is a great time to set goals with your child. However, if you're like me, you may have set a goal and looked back only to realize you have utterly failed. If it's tough for adults, it's even tougher for a child and they need your support in making their goals a reality.

Set goals with your child.

1. Goals help young people see how their efforts toward a goal impact the outcome, it **puts them in control of their own learning**.
2. Goals help young people **develop a growth mindset**, a mindset that drives people to try new things and continue trying when things get difficult.
3. Goal setting is a powerful process that encourages the young person to have a **direction and focus for their efforts**.
4. Goals can **motivate and encourage** youth to work toward self-improvement.
5. Achieving goals feels good, it **builds confidence and self-esteem**.
6. Goal setting at an early age can lead to a **lifelong habit of goal setting**.

How can we help a child set goals? Say for example, your child tells you their goal is to get better at skateboarding. Their goal is not a SMART goal.

Specific Measurable Attainable Relevant Time-Bound

Coach your child to make SMART goals by asking questions:

- How will you know you are getting better?
- What might you be able to do that you weren't able to before?
- How long do you think it will take?
- How much practice are you willing to put in?
- Why is this important to you?

Help your child set a **plan of action**, and check in regularly. Coach them to **set smaller goals** in order to reach the big goal. Write it down and post it for all to see. Set a goal for yourself and keep each other accountable. **Praise your child for their efforts or improvements**. Be excited for them! Encourage them to keep trying. It's ok to fail, remind your child that failure is just their **First Attempt In Learning**. Keep trying!

Club Bylaws

Bylaws

A club's constitution and bylaws help to define and outline the administration of a club. It is imperative that new clubs determine their constitution and bylaws before becoming chartered by the National 4-H Council. The articles of the constitution and bylaws determine the official name of the club, state where and when meetings will be held, set up how business will be conducted, determine officers and even allow for planning of dissolution. Officers of existing organizations should review the club's bylaws annually. Clubs should also provide a copy of their bylaws to the Cowley County Extension Office. Officer teams that have not reviewed current bylaws are encouraged to do so under the guidance of adult leadership. A sample constitution and bylaws may be found at <https://www.kansas4-h.org/4-h-programs/clubs/strengthening-clubs-1/docs/constitution-bylaws-sample.pdf>
